Scuola Superiore per Mediatori Linguistici CIELS offers different specializations complementing Interpreting and Translation Studies.

For a description of our courses see our website: www.ciels.it.

Exchange students can choose among all the courses we offer. Please remember that most of the non-linguistic courses are taught in Italian

Most of the language courses last all year: if you are here for one semester, professors will give you a partial test at the end of your stay.

The semester of some courses may vary, so before filling your Learning Agreement, please doublecheck with our International Relations Office.

Some linguistic and non-linguistic courses are taught in Italian. However, upon request, students might have the possibility to take the exam speaking (or writing) in English, if the professor in charge of the course agrees to do so.
